

CORPORATE AMERICA IS BEING

BLACKMAILED

BY THE RADICAL HOMOSEXUAL AGENDA

Businesses across this nation are being blackmailed by the Devil himself. Bank of America, Wachovia, and SunTrust are all falling into the snare of this monstrous lie, and to the snare of the radical homosexual agenda.

The tactics of this agenda are shrewd, causing companies in every industry to cave in rather than risk being labeled homophobic.

Now Wal-Mart is in enemy sights.

God blessed Wal-Mart because founder Sam Walton chose to honor God and run his business according to biblical principals.

This legacy of faith and love for God by Mr. Walton is being trashed before our very eyes.

We must help save Wal-Mart.

Take Action:

Our schools, businesses, government, and even our churches are being forced to honor things that are an abomination to God. It's time for Christians to take a stand! It's time for us to come out of the closet and allow our theology to become biography in the streets. We must go to our local Wal-Mart and help them to stand against this liberal, lying, demon-inspired onslaught.

Join us on November 24th, 2006, the busiest shopping day of the year, as we boldly proclaim the Gospel of Jesus Christ at more than 300 Wal-Mart locations.

Visit our website or call 704-933-3414 for more information or to register your local store. We can make a difference!

—Sam Walton, Founder of Wal-Mart

"[Sam Walton was] one of the most remarkable American's of the twentieth century. The simplicity of lifestyle, the deep religious commitment, and the overwhelming success in business, all made Sam Walton a role model for all America."

—Rev. Billy Graham, Evangelist
